SIR

Subject - Additional Sweepers to Nanjangud Town Municipality

I have the honour to forward herewith in original the entire correspondence ending with report No H C 136 of 42 dated 6-8-44 received from the President, Nanjangud Town Municipality on the above subject and to state that the Municipal Council have resolved in their meeting held on 10-4-1943 that sanction of Government might be obtained for entertaining for four extra sweepers on Rs 10/- p m each for the extensive area of the town The additional staff is quite necessary to improve the anitary conditions of the town and the extensive area which is growing day by day

The Municipal Council have further resolved that the pay of the existing conservancy peon be raised from Rs 12/- to Rs 13/- by increasing Re 1/- p m and that this appointment may be designated as Daffedar in order to supervise the work of the above additional sweepers The pay of the other two existing Daffedars is also Rs 13/- p m each The proposed revised scale involves an extra cost of Rs 12/- per mensem

Necessary provision has been made to meet this additional expenditure of Rs 492/- (Rs 480 + 12/-) in the Budget Estimates for 1944-45 The present financial position of the Municipality is fair and it could well admit this extra expenditure

In these circumstances, I request you to be so good as to obtain sanction of Government to the resolution of the Municipal Council with effect from 1-7-1944

I have the honour to be,
